## FAQ'S

### What are the Requirements to apply for a Tax Clearance Certificate?

**A | Tax Registration Number.** You need to be a registered tax payer with SARS as a business. Individuals trading as a sole proprietor, need a personal income tax number.

**B | SARS Registered Rep.** The Registered Representative needs to be updated at SARS to enable you to file any returns or request a Tax clearance Pin.

**C | 'Clear' with SARS.** Your Company may not have any outstanding tax submissions or debts at SARS. This means the person/business is 100% compliant and in good standing with SARS

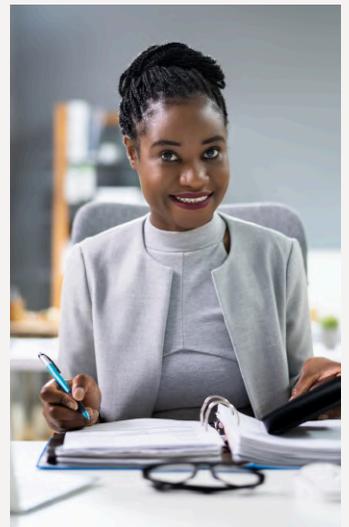

### What are the Main Benefits of having a Tax Clearance?

**Enhanced Credibility:** It demonstrates to clients, partners, investors, and regulatory bodies that the business is compliant with tax laws which enhances trust and reliability.

**Access to Tenders and Contracts:** A valid TCS is often a prerequisite for bidding on government and private sector tenders, opening more business opportunities.

**Facilitates Financial Transactions:** Banks and financial institutions may require a TCS for loan approvals, overdraft facilities, and other financial services.

**Prevention of Legal Issues:** Ensures compliance with tax laws, reducing the risk of legal penalties, fines, or sanctions due to non-compliance.
